## **Advent Project**

### Donations to St. Patrick's Center

This is what I heard from St.

**Patrick's Center:** During the colder months, we are always in need of items such as coats, socks, gloves, hats, scarves, boots, etc. For personal care products we accept a variety of items, such as shampoo/conditioner, deodorant, soap/body wash, feminine hygiene products, toothpaste, toothbrushes, etc. We simply ask that you do not include any hand sanitizer or mouthwash that contains alcohol. You can also gather hygiene items that are travel-sized as we distribute those to many attending our public lunch.

Please feel free to donate anything listed above by Dec. 16. Thank you for teaching your children the gift of helping others.

## **Semester Finals**

Dec. 14 – Religion  
Dec. 15 – Science  
Dec. 16 – Social Studies & English  
Dec. 19 – Math & Literature

## **Confessions**

Confessions for the students will take place on Friday, Dec. 16.

## **Early Dismissal**

Dec. 20<sup>th</sup> – Final Make-ups  
Christmas Party 10 – 11:15  
School is out at 11:30.

## **Final Study Guides**

Students have study guides and should be studying them.

## **Writing Assignments**

Students are showing improvement in their writing skills. However, if assignments are not meeting requirements (neat, legible, complete sentences including seven words, answering the question, etc...) students are required to redo the assignment at recess. So far, this has proven to yield acceptable results. Thank you for your support.

## **Computer Class**

Students need headphones or ear buds for every class on Tuesday and Thursday. They also need a flash/jump drive to save documents to every Tuesday and Thursday. If not brought to class, students will lose their recess.

Have a blessed Christmas. Looking forward to an even more blessed New Year! I will work harder to keep you posted. Thank you to those who ask, because I do forget to relay some information. As always, please call or email me with questions.

Live joyously,  
Mrs. Brueggemann
