

Second Grade Gazette

What we will learn this month

Math—We will be working on subtracting 8 and 9, estimating, dividing, measuring using feet and inches, and finding area. Students will be bringing home an Estimation Jar. Students can put any item they want in the jar. If they choose to put a food item in the jar, it needs to be washed first. If you have any questions please give me a call.

Reading—We will work on abc order, finding the main idea, we will review pronouns, and we will work more on making words plural.

Religion—We will be learning about the Eucharist, Holy Week, Easter, and Pentecost

Science—We will be learning about Sound and Simple Machines

Social Studies—We will finish our unit on World Cultures and start our unit on the Market place.

English—We will continue to work on comparative adjectives and recognizing pronouns, and subject verb agreement. We will also work on writing a how to paragraph.

Phonics—We will continue to work on silent letter, and we will also work on recognizing syllables. We will also be working on changing f to v before adding es and different ways to spell long vowels.

Flu season is here

Keep your hands washed

Drink plenty of Vitamin C

Get plenty sleep

Special points of interest:

Both the pew banner and the 1st Communion box are due on April 4

What's Going on this Month and Relay for Life

March 12—No School

March 29-April 2—Easter Break

April 4—First Communion box and Banner are due

April 13—Day of Reflection for First Communion

April 15—First Communion

April 16—No School for Second Grade

We will start our Relay for life fundraisers very soon. We will start selling chains. Which ever class sells the most links gets a reward. We will be doing several fundraisers. I will try to send out reminders the day before the activity. There will also be a chance to pre-pay for all the activities.
