Next week, March 7 is the due date for Confirmation paperwork handed out at the January meeting. Please contact me with any questions.

Your students are amazing to work with. They will step up and do what needs to be done without being asked. For instance, we ate lunch in our classrooms last week because of the Dinner/Dance Auction. Some classes piled their trash too high in a trash can which resulted in a messy tumble, and your kids jumped in to clean it up. Several staff members complemented the 8th grade class for their help. You are raising amazing kids. Thank you for being involved with your child's education, it really does make a difference.

Live joyously,
Mrs. Brueggemann
