

Second Grade Gazette

What we will learn

What we will Learn

Reading—We will be working on the long o sound, irregular plurals, the long I sound, hard and soft c, possessive nouns, and compound words.

Math—We will be working on place value, measuring to the nearest inch, ordering numbers, liquid measurements, counting money using dimes, nickels, and pennies, and symmetry.

Handwriting—We will start cursive letters this month.

Phonics—We will be working on long o, adding ed and ing to words and r blends.

English—We will continue to work on ways to make a word plural. We will also work on showing ownership, and verbs.

Science—We will finish our unit on Life Science.

Social Studies—We will learn about resources, trade, barter, and occupations.

Religion—We will finish our unit on Reconciliation, and we will start our unit on how God cares for us and how we should care for others.

St. John the Baptist
